

Professional CV

Dr. Dominique MATT

Emeritus CNRS Research Director

Education

- 1970-1972 Preparatory classes for the French Grandes Ecoles, Strasbourg, France
1972-1975 Ecole Nationale Supérieure de Chimie de Strasbourg, Strasbourg, France
1977-1980 State Doctorate in Physical Sciences, University Louis Pasteur, Strasbourg (with Prof. P. Braunstein)

Research and Professional Experience

- 1975-1977 Assistant (Ministry of Foreign Affairs), University of Constantine (Algeria)
1980-1981 Scientific researcher, ETH-Zürich, Zürich, Switzerland (with Prof. L. M. Venanzi)
1981-1982 Team leader, BASF Haupt- and Ammoniaklaboratorium, Ludwigshafen, Germany
1983-1991 Senior researcher, CNRS – School of Chemistry and University Louis Pasteur, Strasbourg (F)
1991-2018 Research Director, CNRS and University of Strasbourg, Strasbourg (F)
2018- Emeritus Research Director - CNRS

Awards

- Catalysis award, French Chemical Society
Coordination Chemistry award, French Chemical Society
Claude Berthault Prize, French Academy of Sciences
Berthelot Medal, French Academy of Sciences

Memberships

- French Chemical Society
FRC - Frontier Research in Chemistry Foundation
University of Strasbourg Institute for Advanced Study
